

**Guidelines for ECTS validation**  
(determined in CCdS 4 December 2025)

- 1) Exams taken in other educational career that do not indicate the number of ECTS cannot be validated, except for clearly demonstrated skills and knowledge acquired in the previous career for the mandatory exams. Furthermore, other exams, such as the elective, may be validated even if the number of ECTS are not evident.
- 2) Individual study plans are only reserved to enrolling students requesting a career shortening and for students who obtain ECTS in student mobility.
- 3) Language skills can be validated based on a certification earned within the last 24 months.
